

Dear Parents,

Welcome to our last issue of the school autumn term's newsletter.

I would like to take this opportunity to thank all of our teachers and students' hard work in this new school year. I enjoy seeing their happy faces when they come to school and after classes. (Also I have a lot of lovely cuddles from the younger children). I would like to give a special thanks to parents who are involved in the playgroup patrol scheme to ensure our children have a safe and relaxing break between sessions.

On behalf of the school, I wish our year 1 teacher, Ms Wen Chen (Amy) all the best as she is going to start her maternity leave by end of this term. Mrs Ching Hui Wilkinson will be the year 1 replacement teacher from spring term onwards.

We were requested to include Abacus class and other workshops on Sunday in Hampstead branch; we consider to run the Day School for those who are interested to have both workshop and language class on the same day. Please check page 2 for more information. We need your feedback and support.

Also, the Homework Club will be ended by this term and we will not continue this session in next year due to the low attendance.

Lastly, I would like to welcome Ms Annick Lam to join us as the Business Development Manager. I believe most of you met her during the Christmas Fund Raising Program last Sunday. Thank you for all your support and the valuable suggestions. We will continue to provide the high quality of the Mandarin learning environment and introduce more Chinese cultural activities in the coming year.

Wish you all to have a Merry Christmas and Happy New Year!

Yours Sincerely,

Hua Hsia Chinese School News
